

## *Robins Class Newsletter 10<sup>th</sup> September 2021*

**Love • Kindness • Self-Belief • Aspiration**

### **What have we learned this week**

We've had a lovely week in Robins class! We have started learning our phonics sounds 's', 'a' and 't'. The children have really enjoyed doing this alongside learning our numbers. This week we have been focusing on zero and one!

We have been learning about this week's We Love to Read book 'There's a Bear on My Chair' and have learnt lots of new interesting words in our book as well as using the book to understand that sharing is caring!

Next week we will continue our phonics sounds and we will be doing p, i, n, m and d. We will also be learning about the number 2.
