

Robins Class Newsletter 3rd December 2021

Love • Kindness • Self-Belief • Aspiration

What have we learned this week

This week the Robins have started investigating number 7. We have also used various coins to make 7 and we have found number 7 on a clock. The Robins braved the cold weather in forest school this week and explored the area. When we came back inside, we focused on folding our blue suits and putting them on hangers (so no excuses at home!). We had gymnastics and the children were so quick at taking off their shoes and socks that we are going to try changing into the full PE Kits next week. The children have been working so hard in phonics and we have now learned all of our Phase 2 GPCs! Well done Robins!
