

## Sparrows Class Newsletter 13<sup>th</sup> May

**Love • Kindness • Self-Belief • Aspiration**

### What have we learned this week?

In Maths, we have been practising telling the time to the hour, half past, quarter past and quarter to. The children have been using the timetable of the day to learn the key times. I wonder if the children can do this at home during their bedtime, teatime and other key aspects of their day.

In English, we have been practising some SATs style reading questions and learning how to answer a range of different questions accurately and thoroughly.

Our new spellings for this coming week are using the le making the l sound at the end of words. The spellings are: apple, table, bottle, little, middle, able, wobble, multiple, dazzle, riddle.

Our learning mission sessions we have enjoyed starting to make our products.
