

Starlings Class Newsletter 20th May 2022

Love • Kindness • Self-Belief • Aspiration

What have we learned this week?

This week has been sports week in Nursery. Across the course of the week, we have been providing the children with the opportunity to take part in jumping events, throwing events and running races. We have also been keeping active, climbing on the climbing frame, playing hopscotch, building obstacle courses and we have enjoyed some active games in the hall linking to our phonics learning.

In phonics, we have been practising our listening skills and have thoroughly enjoyed exploring boom whackers. Miss Edwards also shared her toy box, where the children had to listen to sounds and clues to guess the item. The children are becoming so confident and even had a go at giving clues to their friends themselves.

Our favourite rhyme this week is 'I have a little turtle,' and our favourite story has been the 'Worrysaurus.'

What a fantastic week!

Home Learning Challenge

We have enjoyed some gorgeous weather this week.

Talk to your grownups about what we need to wear to keep ourselves safe in the sun!
